Facials

*Dermaplaning is included in all facials for those who desire it

Basic Facial \$65

An in-depth consultation and evaluation of your skin followed by a luxurious and effective treatment to meet the needs of YOUR skin care goals. A cleanse, a gentle exfoliation, any necessary extractions and a treatment mask are included. Can be customized to any skin type and concern.

Acne Facial \$65

Peel alternatives are utilized to achieve cell turnover and inhibit the growth of bacteria within the follicle. These treatments are designed for skin that has not yet been exposed to active ingredients in professional level skin care. Includes the use of high frequency and any necessary extractions.

Skin Script Enzyme Facial \$80

Fruit based enzymes paired with milder concentrations of alpha and beta hydroxy acids and skin lighteners are utilized to rejuvenate sluggish skin, exfoliate the buildup of dead skin cells and brighten the complexion. Customizable and safe for all skin types.

PCA Oxygenating Facial \$95

Designed to promote a radiant, healthy glow by stimulating oxygenation and circulation within the skin in order to rejuvenate sluggish, stressed or acne affected skin. Great treatment prior to a big event.

Sunburn facial \$65

For those experiencing facial redness and irritation from overexposure to the sun or other UV light. Cooling globes and hydrating masks will support the skin in its healing process.

Pricing available on request for the back, chest, legs and / or arms.

Back Facial \$65

Gentle steaming to open pores and lift impurities, followed by a deep cleansing and exfoliation. Includes relaxing massage after any necessary extractions.
