Basic Facial \$65

An in-depth consultation and evaluation of your skin followed by a luxurious and effective treatment to meet the needs of your skin care goals. A cleanse, a gentle exfoliation, any necessary extractions and a treatment mask are included. Dermaplaning is included for those who desire it. Can be customized to any skin type.

Age Management Facial \$80

Fruit based enzymes paired with milder concentrations of hydroxy acids and skin lighteners are utilized to rejuvenate sluggish skin, exfoliate the buildup of dead skin cells and brighten the complexion. Dermaplaning is included for those who desire it. A LED light treatment finishes this facial.

Acne Facial \$80

Fruit based enzymes paired with milder concentrations of hydroxy acids are utilized to promote cell turnover by removing dead skin while unblocking the follicle to promote a clear, healthy complexion. Skin lighteners are utilized to help reverse post inflammatory pigmentation. A LED light treatment finishes this facial.

Advanced Exfoliation \$95

For clients currently following a home care regimen and who have had previous treatments. A customized chemical peel chosen just for you and your skin type and conditions is paired with a luxurious facial. Dermaplaning can be included for non-acneic clients and will drastically improve the effectiveness of the peel. A LED light treatment finishes this facial.

Add Decollete' peel +\$50

Hydro Dermabrasion \$105

A crystal free method of microdermabrasion utilizing water jets. This treatment provides gentler yet effective exfoliation for all skin types including acne. Stimulates lymphatic drainage and gives skin a natural glow. A special dermabrasion tip is used on the t-zone to easily remove impacted black heads and sebum (oil) while simultaneously infusing the skin with hydration. The treatment is concluded with a relaxing oxygen infusion of a serum chosen for your skin type.

Add Dermaplaning 5-7 days prior +\$45

Gentleman's Facial \$50

A cleanse, a gentle exfoliation, any necessary extractions and a treatment mask are included. A relaxing hand and arm massage begins the treatment and a face massage is the finishing touch.

Back Facial \$50

A 30 min express exfoliation for the back. A dry brushing followed by the appropriate enzyme under a gentle steam. Any necessary extractions and a treatment mask are included.

Series of 6 for Acne \$530

Six 30 minute treatments focused on addressing pigmentation, acne, texture and overall skin rejuvenation through the use of progressive exfoliation, enzymes and peels. Please allow 1 hour for initial appointment; 30 minutes thereafter. The first appointment includes a thorough 30 minute consultation with photo-documentation, treatment outline, nutritional considerations and homecare product selection (6 products included in price) followed by a 30 minute treatment. Each session in the treatment series is typically scheduled 1 to 2 weeks apart. Homecare is a requirement for the treatment series.

14 Week Series for Acne Scarring \$695

Amazing results will be achieved without a lot of downtime if you can commit to weekly treatments. Wound healing (acne scars) with collagen always takes at least 3 months to see full effects. All skin types can benefit from this treatment. All homecare needed for treatment duration is included in the price (8 products) and is a requirement. Please allow 1 hour for initial appointment; 30 minutes thereafter. The first appointment includes a thorough 30 minute consultation with photo-documentation, treatment outline, nutritional considerations and homecare product selection followed by a 30 minute treatment.

Series of 6 for Pigmentation \$530

Six 30 minute treatments focused on addressing discoloration, texture and overall skin brightness through the use of progressive exfoliation, enzymes and peels. Please allow 1 hour for initial appointment; 30 minutes thereafter. The first appointment includes a thorough 30 minute consultation with photo-documentation, treatment outline, nutritional considerations and homecare product selection (6 products included in price) followed by a 30 minute treatment. Each session in the treatment series is typically scheduled 1 to 2 weeks apart. Homecare is a requirement for the treatment series.
